

Become a Host Home Provider with Caregiver

Why Families Choose Caregiver

Earn Up to \$100,000/Year

Earn tax-free income with flexible monthly payments and direct deposit. Serve up to 3 individuals per home.

Concierge Host Home Service

A dedicated team providing personalized support for host home providers.

Documentation Tracker

Families can use traditional paper or save time with our easy electronic system for care management and documentation.

In-Home ISS

Access to in-home ISS services, with tailored care and negotiated rate based on state requirements.

Access to Caregiver Perks

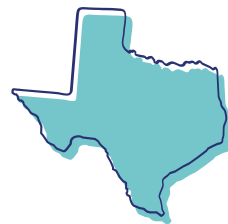

Enjoy exclusive Caregiver vendor perks for seamless home and travel management with exceptional care.

Community Engagement

Connect with your IDD communities when Caregiver shares local events, and activities.

*We can support you
in transitioning
from your current
provider.*
